Firstly, we would like to thank those who filled out the Unite In Brand Offshore Survey.

The survey is now closed. We are currently taking the time to go through the responses in detail.

What Happens Next?

A Unite Organiser will shortly be in touch with those of you who have said you are willing to help out and/or want to get more involved.

Brand Offshore are now honouring the OCA Agreement

We are pleased to say that Brand Offshore are now honouring the OCA Agreement. For approx. 18 months Brand were paying below agreed OCA base rates. This situation has now been corrected and we are in the process of settling the issue of back pay for the approx. 18 months of underpayment.

How was this achieved?

This was achieved by Unite members standing together on a matter of common interest, acting collectively and using the power of Unite to help resolve an unacceptable situation.

Unite Contacts

You have a small team at Unite who can provide in depth and hands on support. We firmly believe that the best way to develop a strong trade union that works for you is through face to face dialogue.

As people will know we have a range of different communications methods at our disposal. However, the best way of getting a good understanding of what we are looking to achieve is to talk things over in person.

Contact Peter Lawson or Derek Thomson and we will arrange to meet you at a time and place that is convenient for you.
