

Unite In Teekay

Firstly, we would like to thank those who filled out the Unite In TK Survey.

The survey is now closed. We are currently taking the time to go through the responses in detail.

Many issues were raised, including: The threat of a 3&3 rotation being brought in by Teekay, huge pressures to deliver more for less, offshore safety, exposure to diesel and other toxic fumes, rates of pay and the potential return of the Super Puma choppers.

What Happens Next?

A Unite Organiser will shortly be in touch with those of you who have said you are willing to help out and/or want to get more involved.

Unite Contacts

You have a small team at Unite who can provide in depth and hands on support. We firmly believe that the best way to develop a strong trade union that works for you is through face to face dialogue.

As people will know we have a range of different communications methods at our disposal. However, the best way of getting a good understanding of what we are looking to achieve is to talk things over in person.

Contact Peter Lawson or Derek Thomson and we will arrange to meet you at a time and place that is convenient for you.
